

Set up printing on an Android device

1. Make sure your Android is connected to your organization's WiFi.
2. Install the [Mobility Print app](#) from the Google Play Store.
3. Launch the app.
4. Tap Android settings.
5. Tap Mobility Print.
6. Tap the enable toggle.
7. Exit out of Settings.
8. Print your document. When prompted, enter your PaperCut username and password.

The way you print is different depending on the app you want to print from. For more information, see the documentation for the app. When you select a printer, make sure you select a Mobility Print printer as identified by the PaperCut icon 

If you select the Remember me check box, your phone will remember your login details for that printer for 30 days.

Device requirements

Mobility Print supports Android 4.4+. Supported devices includes Android phones and tablets from Google, Samsung, HTC, Lenovo, LG, Sony, Huawei among others.
